

Firefighters

Robin Gilmour, Age 11

Verse 1

Who puts out blazing fires?
Drives a truck we all desire?
Who saves cats from trees?
The answer's easy as one, two, three.

Chorus

Firefighters, travelling through the land,
Firefighters, uniform so grand,
Firefighters,
Yeah!

Verse 2

With their hose for the blaze,
And a ladder for buildings and trees,
To the scene they must race,
Not on foot in a vehicle they race.

Chorus

Firefighters, travelling through the land,
Firefighters, uniform so grand,
Firefighters,
Yeah!

Verse 3

When the bell rings they must roll,
Get to the truck, they slide down a pole,
Change into protective gear,
So they're safe if fire gets too near.
